*Kia ora e te Whanau o Hamutana Rawhiti*

## PARENT CONFERENCES

If you have not returned the form yet please do so before Thursday. It is important for all parents/caregivers to take part in these conferences. Children are welcome to attend.

## FREE HEALTH SERVICE

Health Line incorporating Plunket Line is a 24 hour health advice telephone service. Anyone can phone 0800611116 for health advice from a registered nurse, anytime day or night. This is particularly timely given the recent spate of flu and winter illnesses in New Zealand schools. You can speak to a registered nurse who will assess you or your family members conditions and recommend the best course of action. This service is for people of all ages.

## COMPUTERS

We still have a number of McIntosh 7200 computers for sale at \$30 each. They have writing, drawing and database programmes on them, but no modems for internet access.
