Kia ora e te Whanau o Hamutana Rawhiti

Principal's Note

Kia Ora e te Whanau

Our sympathies and thoughts go out to our Samoan families for the loss they have suffered following the tsunami. I have been to Lalumanu, it was a beautiful place, the fales, the reef and the people provided me with some great memories.

Welcome to all the new families to Hamilton East School this term. We look forward to working together in partnership with you. Hamilton East School is a great place to learn with lots of opportunities for success. Please do not hesitate to contact the school if there is any information that you require.

This term our topics of study are "Keeping Ourselves Safe" and "Mini Beasts", a study of a small creature.

School Organisation 2010

On Thursday 29th October I will hold a series of meetings about how the school could be organised in 2010. I welcome input and also the opportunity to share ideas about the programme for 2010.

These meetings will be held at 9:15am, 11:00am, 2:00 pm, 3:15 pm and 5:15 pm

Achievement Information.

After School Remix!

swap:

Lazing on the couch

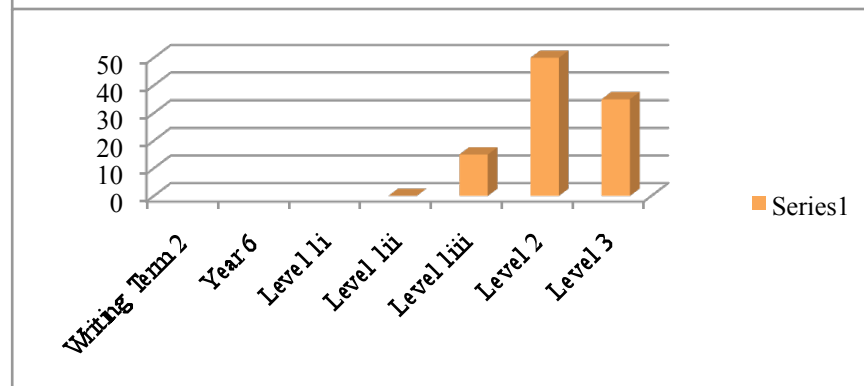

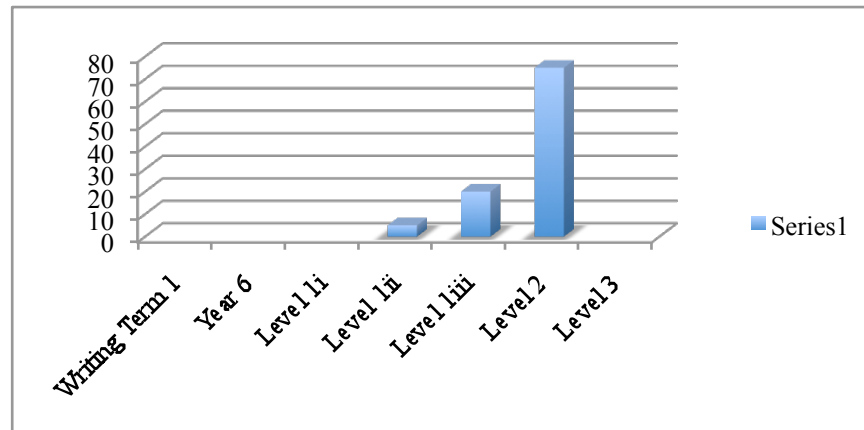

for:

Indoor bowling alley

- Set up an indoor bowling alley down the hall using empty milk bottles as pins and a rolled up pair of socks to knock them down.
- It's heaps of fun, you gain wicked ball skills! Challenge your friends to a game.

Year 6 Writing Term 1 & 2 2009

Analysis

This data is taken from Year 6 children who have been at Hamilton East School for 18 months or more and also excludes children who are not yet competent in English. The data shows us the movement of children through the levels. The NZ Curriculum shows us that Level 2 matches Years 4,5 & 6 children and Level 3 to Years 5,6 & 7. It will be exciting to see what our achievement looks like at the end of the year.
