School Dress

Our Tool Kit outlines that part of being ready to learn is about *wearing appropriate clothes to school*. Children learn best when their clothing is comfortable, clean and suited to the climatic conditions especially around sun safety. We make the distinction between *weekend and party clothes* and school clothes.

2010 Enrolments

As part of our planning for 2010 we need to know the numbers of 5 year olds that are likely to be starting at our school next year.

Please list the names and birthdates of any children who will turn 5 next year in your family. Also if you know of any neighbours with pre school children could you please advise them that we are taking enrolments for 2010 now.

School Organisation 2010

Parents and caregivers are welcome to attend a meeting on school organisation for 2010 on Thursday 29 Oct. These meetings will be held in the staffroom at 9:15am, 11:00am, 2:00 pm, 3:15 pm and 5:15 pm.

Analysis

This data is taken from Year 4 children who have been at Hamilton East School for 18 months or more and also excludes children who are not yet competent in English. The data shows us the movement of children through the levels.

The New Zealand Curriculum shows us that Level 2 matches Yr 4,5 and 6 children and Level 3 to years 5, 6 and 7

It will be exciting to see what our achievement looks like at the end of the year
