Swimming

A reminder to parents and caregivers that swimming is taught each day. It is important that all children in the class swim as it not only is a compulsory part of the curriculum but an extremely important life skill. Our thoughts are with the Dinsdale family who have lost their son Kori to the Waikato River. Kori was a student at Hamilton East School five years ago.

Music lessons 2006

There are a number of community music programmes on offer for children and adults in 2006. These include - Hamilton Community Centre of Music - tuition held at Hamilton Boys High School and Waikato Children's Choir. For contact details and copies of programme /enrolment please ask at our school
