Notice to the School Community

Our Principal Allan Bull is away on sick leave until further notice.

Pippa Wright is Acting Principal - if you have any concerns or queries regarding your children or their schooling please feel free to phone and make an appointment with Pippa.

Playground Rules

The Staff as a team have addressed some concerns we had about some groups of children in the playground. As a result of this some students have new goals and various focussed activities at interval & lunchtime. Please ask your child about their playground choices. We appreciate your support in helping our school to be a safe & inclusive place.
