

This Weeks School Goal

At Hamilton East School we celebrate education every day.

This means:

We come to school every day.

We arrive before the bell.

We enjoy learning.

COMING EVENTS

25 May	<i>Celebrating Education Week</i> – join your children for lunch on Friday
31 May	Board of Trustees Meeting 7.30pm
01 June	Matamata Primary School visit
14 June	PTA Meeting – 7.30pm
22 June	School Disco
29 June	End of Term 2

GARAGE SALE

The Garage Sale was a great success. Thank you to staff and parents who worked hard on Saturday helping. Thank you to everyone for cleaning out your garages!

We raised \$1668.60 for our PTA Projects

Congratulations !!

Room 15 won the Garage Sale points competition. They will be getting more games for their classroom.
Great effort!

Celebrating Education

We have much to be proud of!

DID YOU KNOW? – NZ students perform well in reading. Year 5 students in 2001 achieved significantly above the international average.

More than 19% of New Zealand students performed at the top level of proficiency in reading, compared with the OECD average of 10%.

We invite you to celebrate with **us** and join your child for lunch this **Friday**.

Vision and Hearing Testing

Next **Monday 28 May** a Vision & Hearing technician from Waikato District Health Board will be in our school for testing. There is an information sheet about ear and vision screening in schools available from the office. If you do not wish for your child to be checked please inform the office **before** Monday morning.

Office -Tel 839 3377

Did you know?

Growing brains and bodies need the right fuel. Starchy carbohydrate food like bread, cereals, fruit and vegetables give a steady supply of energy for growing kids, and provide nutrients for brainpower. 

Keep fatty foods like chippies and fried foods for once a week only - not every day

Alcohol for 16 Year Olds

I think alcohol should be banned from New Zealand teens because it does no good to them. It just makes trouble. Teenagers have a big responsibility and that is just to keep themselves out of trouble!

Being a teenager means you have to stay away from parties that you know will make trouble.

I really think that if alcohol is banned from New Zealand teens it will make a big difference to all New Zealanders. Teenagers know that they are not allowed to drink alcohol but they still break the rules. Alcohol is for adults over 18 years old because the Government believes that if you are over 18 years old you will be responsible. Some people still say 18 year olds are not responsible.

In conclusion, I think that alcohol for 16yr olds is a bad idea.
Kyla Room 8

Hamilton East Enviro School

Room 15 is working to develop the bank by the end of the school hall.

We need more native plants like

- Silver Ferns
- Ground Ferns
- & Flaxes

Can you please help us?

Do you have spare plants at home?

Please deliver plants directly to Room 15
