

## School Goal.

**At Hamilton East School we are learning to live together.**

**This means:**

- We celebrate and reflect our bicultural identity.
- If we are in Kapa Haka we focus on practising for our performance.
- We make sure we tell our parents when we need to come to school and what we need to bring.
- If we are on the bus we remind our parents/caregivers about the meeting Wednesday 5.30pm.

Road Patrol

This is the time of the year for Year 4 & 5 children to think about becoming Road Patrollers for 2008.

Talk about this with your child.

A notice will come home with interested children prior to training.

Thanks

Pippa Wright  
Principal
