

From the Principal

Thank you to all staff and parents who have volunteered to help with our winter sports teams in the out of school programme.

We have teams in hockey, netball, rugby and basketball. Some teams play on Saturday and others on weekday afternoons.

Team sport is a great way for children to learn about participating and contributing. It fosters engagement and working together for a common purpose.

School Bus

The school bus is now full and can not take anymore. If you wish, your child can be put on a waiting list and Sue Smith will let you know if a place becomes available. It is important that if you owe money – you ensure that your bill is paid to maintain your child's seat on the bus. If fees remain outstanding your child may lose their seat on the bus. Thank you for your continued cooperation.

School Banking

A newsletter from Hamilton Credit Union will come home with your child today. If you wish to start your child/ren school banking you can pick up a banking pack from the school office. Banking day is Wednesday each week. A deposit box is in the office foyer.
